FOR IMMEDIATE RELEASE: October 27, 2002

VIRTUAL IT, INC. Awarded Two Local Government Contracts

Company to provide Professional Technology Consulting Services for Montgomery County and Franklin County.

Virtual IT, Inc. announced today that Montgomery County, Virginia recently awarded the company a contract to provide a Comprehensive Technology Assessment and Strategic Information Technology Plan.

In a separate award, Franklin County, Virginia selected Virtual IT, Inc. to develop a Strategic Information Technology Plan for the County.

Juliet Silver, CEO of Virtual IT, Inc. commented, "This award further demonstrates Virtual IT's commitment and expertise in supporting local government with Technology Planning and Integration issues".

Virtual IT, Inc. is one of the Commonwealth's leaders in applied information technology, providing strategic and tactical support for businesses, local government, state and federal government agencies.
