SEPTEMBER 2008

Virtual IT Partners with EPM Live

Virtual IT has partnered with EPM Live to provide clients with 'out of the box' project, program and portfolio management tools that integrate with Microsoft SharePoint®.

The partnership capitalizes on Virtual IT's expertise in delivering Information Worker solutions using the Microsoft SharePoint® platform. EPM Workgroup is a highly configurable workgroup project management environment that integrates seamlessly with Microsoft Project®. EPM Enterprise is the enterprise wide solution to strategic project/portfolio management and collaboration.

Virtual IT's P³M practice customizes and implements the solution based upon Project, Program and Portfolio management best practices and the specific client needs and objectives. Virtual IT's Microsoft-certified team supports the planning, implementation, training and provides ongoing support for the Microsoft SharePoint® technology.

Virtual IT is a full-service information technology consultancy, providing high-level strategic and tactical support for businesses, state and federal government agencies, and city and county governments. Clients look to us for leadership in the areas of Business & IT Strategy, Project, Program & Portfolio Management and Portal & Collaboration Solutions. Headquartered in Roanoke, Virginia with additional offices in Vienna, Virginia and Charlotte, North Carolina, the company provides clients with high-quality management and IT consulting services.
